Re: Dakota Imaging, Inc. v. Goel, C.A. No. 5-cv-296 (SLR)

Dear Chief Judge Robinson:

This letter is being submitted on behalf of all parties to the above-referenced case, and as a supplement to the status letters of September 19, 2006 from plaintiffs' counsel and defendants' counsel (the "Status Letters").

As described in the Status Letters, the parties engaged in extensive arbitration proceedings over the summer. The arbitrator has not yet rendered a decision, although the parties are hopeful that one will soon be forthcoming. Until the arbitrator issues his final decision, the parties respectfully request that the Court continue to stay the proceedings in the captioned-action and remove the trial date from the Court's calendar. Thereafter, the parties will jointly request a new scheduling conference in order to establish a revised schedule for the orderly disposition of this action.

Counsel remain available for a telephone conference at the Court's convenience if further discussion of the case status is desired.

Respectfully submitted,

Michael R. Robinson
(Del. Bar #4452)
